To Whom It May Concern:

In 2024 the Syrian Arab American Charity Association (SAACA) applied for a grant for \$50,000 which we are still waiting to see if it was approved through State Senator Nick Miller's office, we applied for this Quality of Life grant for \$5000, we collected membership dues from 112 members at \$35 per member totaling \$3,920 and we held a charity banquet which raised \$14,244.00.

Sincerely,
