INDEPENDENT AUDITOR'S REPORT

Audit Committee, c/o Board of Directors Pennsylvania Shakespeare Festival Center Valley, PA

Opinion

We have audited the accompanying financial statements of Pennsylvania Shakespeare Festival (a Not-for-Profit Corporation), which comprise the statements of financial position as of September 30, 2023 and 2022, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Pennsylvania Shakespeare Festival as of September 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Pennsylvania Shakespeare Festival and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Pennsylvania Shakespeare Festival's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

1

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Pennsylvania Shakespeare Festival's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Pennsylvania Shakespeare Festival's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

1. Nature of Activities

The Official Shakespeare Festival of the Commonwealth of Pennsylvania, the Organization's mission is to enrich, inspire, engage, and entertain the widest possible audience through first-rate professional productions of classical and contemporary plays, with a core commitment to the works of Shakespeare and other master dramatists, and through an array of educational outreach and mentorship programs. A not-for-profit, professional regional theatre, the Organization has entertained over 1,062,736 patrons from 50 states since 1992.

The Organization is exempt from federal income tax under the provisions of Section 501(c)(3) of the Internal Revenue Code.

The Organization is a wholly owned subsidiary of DeSales University (the "University"), a Pennsylvania not-for-profit corporation.

2. Summary of Significant Accounting Policies

The significant accounting policies followed by the Organization are set forth below.

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting with the principles of not-for-profit accounting generally accepted in the United States of America. The financial statements reflect all significant receivables, payables, and other liabilities.

Basis of Presentation

Net assets and revenues, gains, expenses, and losses are classified as without donor restrictions or with donor restrictions based on the existence or absence of donor-imposed restrictions as follows:

<u>Net Assets Without Donor Restrictions</u> - Net assets that are not subject to donorimposed stipulations. Net assets may be designated for specific purposes by action of the Board of Directors.

<u>Net Assets With Donor Restrictions</u> - Net assets that are subject to donor-imposed stipulations that will be satisfied by actions of the Organization and/or the passage of time. When a restriction is satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions.

Non-Operating Activities

Non-operating activities primarily reflect transactions of a long-term investment or capital nature, including contributions restricted for future acquisitions of facilities and equipment and net realized and unrealized gains and losses on investments in excess of, or less than, the Organization's spending policy.

Fair Value Measurements

Accounting guidance establishes a fair value hierarchy that prioritizes the inputs to valuation methods used to measure fair value for certain financial assets and liabilities. The three levels of the fair value hierarchy are as follows:

- Level 1 Unadjusted quoted prices in active markets that are accessible at the measurement date for identical assets or liabilities.
- Level 2 Quoted prices in markets that are not active, quoted prices for similar securities, or inputs that are observable either directly or indirectly, for substantially the full term of the asset or liability.
- Level 3 Prices or valuation techniques that require inputs that are both significant to the fair value measurement and unobservable (i.e., supported with little or no market activity).

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

See Note 5 for the fair value measurements by level within the fair value hierarchy.

Cash Equivalents

Cash equivalents include short-term, highly liquid investments with a maturity of three months or less. Cash and cash equivalents representing assets of endowment funds are included in long-term investments. The carrying amount approximates fair value because of the short-term maturity of these instruments, which is considered a Level 1 input.

Accounts Receivable

Accounts receivable are stated at outstanding balance less an allowance for doubtful accounts. Management's periodic evaluation of the adequacy of the allowance is based primarily on past experience, aging of the receivables, and other relevant factors, and is maintained at a level considered adequate to provide for losses that can be reasonably anticipated.

Accounts are written off when they are determined to be uncollectible based upon management's assessment of the individual accounts.

Revenue Recognition

The Organization's revenue from contracts with customers that fall within the scope of ASC 606 is recognized within Ticket Sales, Concessions, Education Program Income, and Special Events. Revenues are recognized as the Organization satisfies its obligation to the customer. Services within the scope of ASC 606 include providing a variety of performing arts including, but not limited to, classical and contemporary plays and educational outreach.

Revenue Recognition (Continued)

The Organization's revenue streams within the scope of ASC 606 are accounted for in the following segments:

Ticket Sales – The Organization earns fees from its customers through ticket sales for performances. These fees are paid prior to the start of the show. Box office ticket sales and related fees are primarily recognized when the services are rendered. Services covered by the box office ticket sales are typically rendered and completed within the fiscal year. Revenue received for a program date scheduled in the subsequent fiscal year is deferred at year end.

Concessions – The Organization earns concession revenue through sales of food, beverages, and souvenirs to its customers. The concession sales revenue is earned and collected when the goods are exchanged with the customer. Therefore, the services is rendered and completed within the fiscal year. No concession revenue remains in deferred revenue at year end.

Education Program Income – The Organization earns fees from customers through contractual obligations with schools hosting the Willpower program. The WillPower program typically is held in October and November, immediately following the conclusion of the fiscal year. The Organization defers all WillPower revenue and related expenses until the conclusion of the event, at which time the Organization recognizes the activity.

Special Events – The Organization hosts an annual gala to raise funds to support the festival operations. The gala ticket sales hold a component of cost related to the dinner and entertainment, and a contribution portion related to the additional amount received. The Organization recognizes the contribution at the time of receipt, and the additional revenue at time of delivery.

Contributions

Contributions received, including unconditional promises to give, are recognized as revenue when the donor's commitment is received. The carrying amount of contributions receivable to be received in less than one year approximates fair value because of the short-term maturity of those instruments, which are considered Level 1 inputs. Unconditional promises to give over more than one year are recognized at the estimated present value of the future cash flows. The discount on those amounts is computed using the expected rate of return of a market participant applicable to the year in which the promise is received, which are considered Level 3 inputs.

Contributions (Continued)

Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the Statement of Activities as net assets released from restrictions. Conditional promises are recorded when donor stipulations are substantially met.

Contributed Nonfinancial Assets

Donated facilities, services and equipment, and personnel and related benefits are reflected as contributed nonfinancial assets in the accompanying statements at their estimated fair values at date of receipt. Donated services are recorded if the services received (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation.

Goods donated for special events are included in the gross special events revenue in the accompanying financial statements at their estimated fair values at date of receipt.

Contributed nonfinancial assets reflected in the accompanying financial statements at September 30, 2023 and 2022 are as follows:

Contributed Nonfinancial	Revenue R	Revenue Recognized		Donor	Valuation Techniques
Asset	2023	2022	Benefited	Restriction	and Inputs
Personnel and Related Benefits	\$ 371,127	\$ 372,250	Festival, educational and management services.	Restricted for wages, taxes, and benefits of specified personnel.	Fair value is estimated based on current rates of providing similar services.
Facilities	471,993	407,775	Festival and educational services.	Restricted for theatre, office, and artist housing.	Fair value is estimated based on current market rates for real estate of similar square footage and quality.
Services and Equipment	52,256	39,921	Festival and educational services.	Restricted for professional services.	Fair value is estimated based on current rates of providing similar services.
Subtotal Gala Auction Items and Promotional Materials	895,376 9,071	819,946	Special events.	Restricted for special event.	Fair value is estimated based on current rates of similar items and materials.
Total	\$ 904,447	\$ 830,537			

Inventories

Inventories, which consist primarily of show souvenirs, are stated at the lower of cost or market.

Investments

Investments in marketable securities are stated at fair value. The average cost of marketable securities is used to determine the basis for computing realized and unrealized gains and losses.

Endowment and other gifts are placed with the University, as agent, and pooled for investment as more fully described in Note 5.

Property and Equipment

Property and equipment are stated at cost if purchased or at fair value at date of donation if received by gift, less an allowance for depreciation. Depreciation is computed using the straight-line method over the estimated useful lives of the related assets ranging from 3 to 7 years. All assets with a purchased cost, or fair value, if acquired by gift, in excess of \$500 are capitalized.

Repair and maintenance activities that do not extend the useful lives of the respective assets are expensed.

<u>Leases</u>

The Organization has entered into various operating leases for a vehicle and two storage pods. The obligation associated with the vehicle lease has been recognized as a liability in the Statements of Financial Position based on future lease payments, discounted by the incremental borrowing rate.

Leases with an initial term of 12 months or less are not recognized on the Statements of Financial Position since the Organization has elected the practical expedient to exclude these leases from right-of-use asset and operating lease liabilities. Short-term lease expenses are recognized on a straight-line basis over the lease term as an operating expense.

Deferred Revenues and Expenses

Deferred revenue includes gift certificates and advertising held for use in the next fiscal year.

Deferred revenue – education includes activity related to the annual WillPower program, which generally runs through November of each year. The revenue and expenses are deferred to the fiscal year in which the season concludes, and the performance delivery is satisfied.

Deferred revenues and expenses are included in the net asset without donor restriction class in the accompanying Statements of Financial Position.

Promotion and Advertising Expenses

Promotion and advertising costs are expensed when incurred. Total promotion and advertising expense during the years ended September 30, 2023 and 2022 was \$195,942 and \$151,812, respectively, and is included in the operating expenses in the Statement of Activities.

Allocation of Expenses by Functional and Natural Classification

As reported in the Statement of Functional Expenses, expenses of the Organization have been allocated to the following function reporting classifications:

Program Services Management and General Fund Raising

The Organization's method for allocating expenses among the functional reporting classifications which cannot be specifically identified as program or supporting services are based on estimates of time and effort by key personnel among functions, and other objective bases.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Significant estimates relate to the depreciation expense and useful lives of assets, the allowance for uncollectible contributions receivable, the fair value of alternative investments, and the estimated value of donated facilities and services.

Concentrations of Credit Risk

The Organization maintains its cash accounts at several commercial and savings banks. The Federal Deposit Insurance Corporation ("FDIC") covers \$250,000 for all depository accounts. The amount in excess of insured limits at September 30, 2023 was approximately \$201,094.

Risks and Uncertainties

Investment securities are exposed to various risks, such as interest rate, market and credit. Due to the level of risk associated with certain investment securities and the level of uncertainty related to changes in the value of investment securities, it is at least reasonably possible that changes in the value of investments in the near term would materially affect the amounts reported in the Statements of Financial Position and the Statement of Activities.

Income Taxes

The Internal Revenue Service ("IRS") has ruled that the Organization is tax-exempt as a notfor-profit corporation under Section 501(c)(3) of the Internal Revenue Code; accordingly, no provision for income taxes is required in the accompanying financial statements.

The Organization accounts for uncertainties in income taxes in accordance with authoritative guidance, which prescribes a recognition threshold of more-likely-than-not to be sustained upon examination by the appropriate taxing authority. Measurement of the tax uncertainty occurs if the recognition threshold has been met. Management has concluded that there are no material unrecognized tax benefits or accrued interest or penalties that would require recognition in the financial statements as of September 30, 2023 and 2022.

The Organization files its Form 990, *Return of Organization Exempt from Tax*, with the United States Internal Revenue Service and with the Bureau of Charitable Organizations in Pennsylvania.

Endowment Net Assets

The Organization's endowment gifts are placed with DeSales University, as agent, and pooled for investment with their endowment and similar funds. The Organization's endowment consists of both donor-restricted funds and funds designated by the Board of Directors to function as endowments. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the Board of Directors to function as endowments of Directors to function as endowments, are classified and reported based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law: The Organization owns a proportionate share of the pooled investments and shares in a proportionate amount of the investment earnings, gains, and losses. Therefore, the Organization follows the endowment and investment policy of the University. The University has interpreted the relevant state law as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, the Organization classifies as net assets with donor restrictions the original value of gifts donated to the permanent endowment and accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund, including investment return on those amounts.

Funds with Deficiencies: The fair value of assets associated with individual donor-restricted endowment funds may fall below the level that the donor or the relevant state law requires the Organization to retain as a fund of perpetual duration. The Organization does not have a policy to suspend distributions on such endowments. The fair value of the individual donor-restricted endowment funds did not fall below the donor's original contribution in 2023 or 2022.

Endowment Net Assets (Continued)

Investment Return Objectives and Risk Parameters: The Organization has adopted investment and spending policies for endowment assets, equivalent to those used by the University, that attempt to provide a predictable stream of funding to programs supported by its endowments while seeking to maintain the purchasing power of the endowment assets. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity or for a donor-specified period(s) as well as board-designated funds. Under this policy, as approved by the Board, the endowment assets are invested in a manner that is intended to produce results that exceed the performance of a blended index while assuming a moderate to moderately aggressive level of investment risk. The Organization expects its endowment funds, over time, to provide an average rate of return of approximately the consumer price index plus five percent annually. Actual returns in any given year may vary from this amount.

Strategies for Achieving Objectives: The Organization relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The endowment policy targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints.

Endowment Spending Policy: Effective October 1, 2022, the Organization adopted an endowment investment return spending policy that allows spending of the earnings equal to a range of 2% to 7% of the three-year market value average of the respective endowment at the beginning of each fiscal year. The previous endowment investment return spending policy allowed spending up to 5% of the lower of cost or market value of the respective endowment at the beginning of the fiscal year. Any income earned in excess of the spending limit is reinvested, while funds may be withdrawn from investment returns earned in previous years if income is less that the spending limit.

Reclassification

Certain amounts in the prior year financial statements have been reclassified to conform to the current year presentation. These reclassifications had no effect on previously reported net assets.

Government Grants – Shuttered Venue Operators Grant (SVOG)

In response to the COVID-19 pandemic, the federal government enacted and provided budgetary relief to not-for-profit corporations. The Shuttered Venue Operators Grant (SVOG) program was created as part of both the Consolidated Appropriation Act (CAA) and the American Rescue Plan (ARP). The program included \$16 billion in assistance available to a variety of qualifying shuttered venues and production companies, administered by the Small Business Administration's (SBA) Office of Disaster Assistance. Grantees were not required to repay the funds as long as they were expended for eligible costs incurred during a specified period beginning March 1, 2020 through June 30, 2022.

Government Grants – Shuttered Venue Operators Grant (SVOG) (Continued)

The Organization received \$514,749 on July 12, 2021, as part of Phase 1 of the SVOG. The Organization received an additional \$257,374 in November 2021, as part of the Supplemental Phase of the SVOG, for a total of \$772,123 in SVOG funding. The Organization spent \$193,031 of the Phase 1 award on eligible payroll costs and accordingly recognized the revenue in fiscal year ending September 30, 2021. The remaining Phase 1 award and the supplemental award were expended on eligible costs during the SVOG grant award budget period in fiscal year ending September 30, 2022. The Organization recognized \$579,092 in Government Grants revenue in the accompanying Statement of Activities for the year ended September 30, 2022.

No COVID-19 relief funding was recognized during the year ended September 30, 2023.

New Accounting Standard Not Yet Adopted

The Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2016-13, *Financial Instruments – Credit Losses (Topic 326) Measurement of Credit Losses on Financial Instruments*, as amended, which modifies the measurement of expected credit losses on certain financial instruments. Under ASU 2016-13, management is required to consider specific situations related to the receivable balance, current and future expected economic conditions, past experience of losses, as well as an assessment of potential recoverability for expected credit losses in determining an allowance for uncollectible accounts. ASU 2016-13 is effective for the Organization in fiscal year 2024. The Organization is currently assessing the effect that ASU 2016-13 will have on its net assets, financial position, and cash flows.

Subsequent Events

Management has evaluated subsequent events through April 2, 2024, the date on which the financial statements were available to be issued and has determined no material subsequent events exist that would require financial statement adjustment or note disclosure.

3. Contributions Receivable

Unconditional promises to give have been recorded in the financial statements as contributions receivable and revenue of the appropriate net asset category.

Unconditional promises to give at September 30 are expected to be realized in the following periods:

	2023			2022
In One Year or Less Between One and Five Years	\$	38,967 480	\$	40,539 31,500
Greater than Five Years Gross Contributions Receivable		- 39,447		72,039
Less: Unamortized Discount and Allowance for Uncollectible Amounts		(6,011)		(11,640)
Total Net Contributions Receivable	\$	33,436	\$	60,399

Presented in the accompanying Statements of Financial Position as:

Contributions Receivable - Current Contributions Receivable - Long-term	\$ 33,067 369	\$ 34,439 25,960
	\$ 33,436	\$ 60,399

4. Property and Equipment

Property and equipment at September 30 consist of the following:

	2023	2022
Furniture and Equipment Technology Equipment Vehicles	\$ 82,138 217,188 28,773	\$ 86,308 219,570
	328,099	334,651
Less: Accumulated Depreciation	(257,071)	(248,218)
Total Property and Equipment, Net	\$ 71,028	\$ 86,433

Depreciation charged to expense was \$29,804 and \$31,362 for the years ended September 30, 2023 and 2022, respectively.

5. Investments - Long Term

Endowment gifts are placed with DeSales University, as agent, and pooled for investment with their endowment and similar funds. The Organization owns a proportionate share of the pooled investments and shares in a proportionate amount of the investment earnings, gains and losses.

The following table summarizes the carrying value (equal to fair value) and cost of the Organization's proportionate share of investments at September 30:

		2023			2022			
	Fair Value		Cost		Fair Value			Cost
Cash and Cash Equivalents	\$	156,465	\$	156,465	\$	142,128	\$	142,128
U.S. Government Obligations		176,187		183,701		372,214		390,502
Corporate Bonds		342,687		355,950		636,322		673,691
Equity Securities		4,332,228		3,995,113		3,459,955		3,630,135
Asset Backed Securities		30,174		33,248		22,690		24,875
Mutual Funds		97,551		124,310		70,304		91,928
Land		177,143		387,184		163,613		357,610
Alternative Investments		892,333		667,044		845,328		577,908
Total Investments	\$	6,204,768	\$	5,903,015	\$	5,712,554	\$	5,888,777

The components of total investment return are reflected below. Investment return for the years ended September 30, 2023 and 2022 is net of investment management and custodian expenses of \$32,315 and \$32,007, respectively.

	 2023	 2022		
Investment Earnings Net Realized and Unrealized Gain (Loss)	\$ 121,193 782,872	\$ 114,760 (1,093,204)		
Total Investment Return	\$ 904,065	\$ (978,444)		

Investment return, as reflected in the Statement of Activities, consists of the following components:

	2023		2022	
Operating:				
Endowment Spending Distribution	\$	348,350	\$	182,125
Endowment Spending Distribution - Education		83,500		54,400
		431,850		236,525
Non Operating:				
Endowment Earnings Greater (Less)				
than Endowment Spending Policy		(5,761)		219,951
Unrealized Net Gain (Loss) on Investments		477,976		(1,434,920)
		472,215		(1,214,969)
Total Investment Return	\$	904,065	\$	(978,444)

The spending distribution was 4-7% of the respective endowment in 2023 and 2022.

5. Investments - Long Term (Continued)

Unrealized net gain (loss) is reported as unrealized net gain (loss) on investments and realized net gains are reported as endowment earnings greater (less) than endowment spending policy, both in non-operating activities of the Statement of Activities.

The following valuation techniques were used to measure the fair value of investments as of September 30, 2023 and 2022:

Money market funds, U.S. government obligations, income and growth mutual funds and marketable equity securities: Fair value for these investments was based on quoted market prices for the identical security which are considered Level 1 inputs.

Mortgage and other asset backed securities: Interest rates and credit risks of similar securities are used to determine the fair value of these instruments which are considered Level 2 inputs.

Land: An independent appraisal based on quoted prices for similar land and other observable inputs was used to determine the fair market value which is considered Level 2 inputs.

Alternative investments: Fair value was based on estimated fair values using the net asset value ("NAV") per share of the investments as provided by investment managers, adjusted to reflect significant events between measurement dates if the NAV measurement date was not September 30. Certain attributes that impact the security's fair value may not be reflected in NAV, including but not limited to, the investor's ability to redeem the investment at the measurement date and any unfunded purchase commitments. If the University sold all or a portion of its alternative investments, it is reasonably possible that the transaction value could differ significantly from the estimated fair value at the measurement date due to the nature of the investments, changes in market conditions and the overall economic environment.

Alternative investments are funds and partnerships that invest in a variety of strategies including hedge funds, managed futures, and private equity funds. These are generally illiquid investments pooled and professionally managed with the goal of generating higher returns.

<u>2023</u>	Fa	ir Value	-	nfunded Imitments	Redemption Frequency	Redemption Notice Period
Hedge Funds Managed Futures Private Equity Funds	\$	490,666 176,421 225,246	\$	- - 190,016	Various Monthly Liquid	90-95 days 3 days
	\$	892,333	\$	190,016		
			Unfunded Commitments			
<u>2022</u>	Fa	air Value	-		Redemption Frequency	Redemption Notice Period
<u>2022</u> Hedge Funds Managed Futures Private Equity Funds	Fa \$	iir Value 496,634 159,983 188,711	-		•	-

The investment strategies as of September 30 are as follows:

5. Investments - Long Term (Continued)

The methods described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Organization believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

The following table sets forth by level, within the fair value hierarchy, the Organization's proportionate share of University held assets measured at fair value as of September 30:

<u>2023</u>	Level 1	Level 2	Level 3	Total
Money Market Funds	\$ 156,465	\$-	\$-	\$ 156,465

6. Leases

The Organization has entered into the following lease arrangements:

<u>Operating leases</u>: The Organization leases a vehicle and two storage pods. The leases have initial lease terms of three to five years. Due to the deminimis value of the storage pods and as a practical expedient, the Organization has elected to exclude these leases from the operating right-of-use asset and lease liabilities. Accordingly, expense for the pods is recognized on a straight-line basis over the lease term as an operating expense.

The Organization makes certain assumptions and judgements in determining the discount rate, as several leases do not provide an implicit rate. The Organization uses their incremental borrowing rate, for collateralized borrowing, based on information available at the commencement date in determining the present value of lease payments when the implicit rate is not provided.

Subsequent to the lease commencement date, the Organization reassesses lease classification when there is a contract modification that is accounted for as a separate contract, a change in the lease term or a change in the assessment of whether the lesse is reasonably certain to exercise an option to purchase the underlying asset or terminate the lease.

Right-of-use asset and lease liability is recorded in the Statements of Financial Position at September 30 as follows:

	 2023	 2022
Other Assets: Right-of-Use Asset	\$ 6,737	\$ 13,130
Current Liabilities: Operating Lease Liability, Current Portion Other Liabilities:	\$ 6,737	\$ 6,393
Operating Lease Liability, Net of Current Portion	 -	 6,737
Total Operating Lease Liability	\$ 6,737	\$ 13,130

Future minimum lease payments under operating lease are as follows:

Years ending September 30,						
	2024	\$	6,900			
Total			6,900			
Total			0,900			
Less: Amount Representing Int	erest		(163)			
Present Value of Net Minimum	Lease Payments	\$	6,737			

6. Leases (Continued)

Total lease costs are comprised of the following:

	 2023	 2022
Lease Cost:		
Operating Lease Cost	\$ 6,900	\$ 6,900
Short-term Lease Cost	6,475	3,043
Weighted-average Remaining Lease Term	2-5 years	2-5 years
Weighted-average Discount Rate	5.25%	5.25%

7. Related Parties

The Organization is a wholly owned subsidiary of DeSales University. The estimated value of contributed nonfinancial assets from the University for the years ended September 30 are as follows:

	 2023	 2022
Facilities:		
Theater Facilities	\$ 88,000	\$ 86,000
Office Facilities	49,200	48,000
Artist Housing	334,793	273,775
	 471,993	 407,775
Personnel and Related Benefits	 371,127	 372,250
	\$ 843,120	\$ 780,025

8. Liquidity and Availability

The following table reflects the Organization's financial assets as of September 30, that are available to meet general expenditures within one year of the Statements of Financial Position date:

	 2023	2022		
Cash and Cash Equivalents	\$ 513,208	\$	813,513	
Accounts Receivable	12,764		120,068	
Contributions Receivable	33,067		34,439	
Less: Net Assets With Donor Restrictions	 (227,067)		(288,439)	
	\$ 331,972	\$	679,581	

8. Liquidity and Availability (Continued)

In addition to financial assets available to meet general expenditures over the next twelve months, the Organization receives significant contributions with and without donor restrictions. Contributions and earnings thereon that are restricted for programs which are ongoing, major, and central to its annual operations are considered available to meet cash needs for general expenditures. In addition, the Organization strives to operate with a balanced budget and anticipates collecting sufficient revenue, principally through event ticket sales, concessions, and special events, to cover general expenditures not covered by donor contributions and available endowment earnings.

The Organization's endowment funds consist of both donor-restricted endowments and board-designated endowments. The Organization's spending policy, effective October 1, 2022, allows spending of the earnings equal to a range of 2% to 7% of the three-year market value average of the respective endowment at the beginning of the fiscal year. This policy will yield approximately \$439,000 of appropriations for spending for the year ended September 30, 2024.

The board-designated endowment of \$501,395 as of September 30, 2023, is subject to an annual spending rate of up to 7%, effective October 1, 2022. Although the Organization does not intend to spend from this board-designated endowment (other than amounts appropriated for general expenditure as part of our Board's annual budget approval and appropriation), these amounts could be made available to be drawn upon if the need arises for liquidity purposes through board resolution.

9. Net Assets

Net assets without donor restrictions consist of the following:

	 2023	 2022
Without Donor Restrictions: Board Designated Endowment Undesignated	\$ 501,395 479,287	\$ 463,901 623,526
Total Net Assets Without Donor Restriction	\$ 980,682	\$ 1,087,427

9. Net Assets (Continued)

Net assets with donor restrictions are available for the following purposes or periods:

		2023		2022
Purpose or Time Restricted:				
Education Program, Season #23	\$	83,500	\$	-
Education Program, Season #22		-		54,400

Total Net Assets Restricted in Perpetuity	\$	4,868,686	\$	4,865,187
Total Net Assets With Donor Restrictions:	\$	6,014,310	\$	5,617,452

Net assets with donor restrictions released from purpose or time restrictions in the years ended September 30, 2023 and 2022 were \$126,991 and \$61,446, respectively.

Net assets with donor restrictions that are restricted in perpetuity consist of endowment fund assets (contributions receivable and investments) to be held indefinitely. The income from the assets can be used to support the above noted activities run by the Organization.

9. Net Assets (Continued)

Endowment net asset composition by type of fund, based on existence or absence of donorimposed restrictions, as well as board designations, as of September 30 are as follows:

<u>2023</u>	Without Donor Restrictions	With Donor Restrictions Purpose Perpetuity	Total Net Endowment Assets
Donor-Restricted Endowment Funds Board-Designated Endowment Funds	\$- 501,395	\$ 83,500 \$ 4,868,686	\$ 4,952,186 501,395
Total Funds	\$ 501,395	\$ 83,500 \$ 4,868,686	\$ 5,453,581
2022			
Donor-Restricted Endowment Funds Board-Designated Endowment Funds	\$ 	\$ 54,400 \$ 4,865,187	\$ 4,919,587 463,901
Total Funds	\$ 463,901	\$ 54,400 \$ 4,865,187	\$ 5,383,488

Changes in endowment net assets for the years ending September 30 are as follows:

<u>2023</u>	Without Donor Restrictions		With Donor Restrictic Purpose Perp			rictions Perpetuity		
Endowment Net Assets, Beginning of Year Contributions Investment Income Net Appreciation Net Appropriated for Expenditure	\$	463,901 - 348,350 37,494 (348,350)	\$	54,400 - 83,500 - (54,400)	\$	4,865,187 3,499 - - -	\$	5,383,488 3,499 431,850 37,494 (402,750)
